YOU**

Living with Diabetes Just Got Easier!

Whether you or your dependents are newly diagnosed or have lived with diabetes for years, **On-Goal Diabetes Management** can help you take control.

Nutrition, daily activity, blood glucose monitoring, and medication compliance are all part of effectively managing your diabetes.

Together, we will help you develop a personalized, one-on-one plan tailored to help motivate, educate, and support your daily lifestyle while better managing your diabetes.

On-Goal Diabetes Management is a benefit provided by your employer and administered by GEMCORE.

BENEFITS OF ENROLLING:

One-on-one monthly
health coaching

Name-brand diabetes
testing supplies*

Diabetes
medications*

Direct-to-home
delivery

*Available diabetes supplies, amount of supplies, medications and monthly coaching requirements are established by your employer.

*California residents are not eligible for medications.

●● Enrollment in the Diabetes Management Program has saved my life. When I started, I was confused, with an A1C of almost 15. When we ended, I was below 7, achieving a 6.8 A1C, which was our goal. ●●
